All in all, the trip turned out to be more than we could have ever hoped for. Thank you so much for this experience!! We are looking forward to next year. "Last year I took two trips...one with Educational Tours and one with another company. Educational Tours far outshined the other company. From the initial planning stages, to the processing of itineraries and payment plans all the way through to the actual trip, Educational tours, Inc. was there with friendly, helpful service. The Escort was wonderful! This feature helped me (as a director) enjoy the trip a little more. The added bonus of nighttime security guards at the hotel made me and the other chaperones sleep easier. I am using Educational Tours for both trips this year and I am receiving the same prompt, helpful, friendly service. I highly recommend this company."

"It was our privilege to travel with Educational Tours, Inc. ETI is one of the most professional tour companies I have worked with, and I will not hesitate to work with them again. Every one was so friendly and wanted to make sure that our trip was the most important thing to them."
